Florida Virtual School® Extends Enrollment Deadline for Fall 2020-21

Orlando, FL (June 30, 2020) – Florida Virtual School (FLVS), the online statewide public school district, announced enrollment for FLVS Full Time K-12 schools will remain open until July 31, 2020. The deadline extension comes as COVID-19 cases increase and parents review Fall schooling options for their children.

“FLVS Full Time virtual school is designed to provide flexibility to meet students’ needs regardless of zip code or learning environment. Due to continued health safety concerns, families are still reviewing their options for the 2020-21 school year. If COVID-19 continues to disrupt traditional school operations, FLVS is prepared to work with families and districts to make sure high-quality education continues uninterrupted,” said Dr. Louis Algaze, President & CEO for FLVS.

[FLVS Full Time](#) combines the structure of a 180-day calendar of traditional schooling with the flexibility of online learning. As a full-time Kindergarten-12 public school, FLVS Full Time becomes the primary school of record and issues a diploma to graduating seniors. FLVS graduated more than 800 seniors from across Florida just this past month.

[FLVS Full Time](#) classes start on August 12 and ends May 28. Students take six courses at one time. Florida certified teachers are available from 8:30 a.m. to 4:30 p.m., and the student’s day is structured with school-specific announcements and student activities. FLVS Full Time also offers regular, honors, Advanced Placement, and Dual Enrollment courses with Polk State College and the University of Florida. Because FLVS Full Time is a public school and serves as the student’s school of record, students are required to participate in all state standardized testing.

Florida Virtual School also offers [FLVS Flex](#), for which enrollment is open 365 days a year. With FLVS Flex, students in grades Kindergarten-12 can take one course or multiple courses to supplement their traditional education. FLVS Flex also offers regular, honors, and Advanced Placement courses. FLVS Florida certified teachers are available from 8 a.m. to 8 p.m. Monday through Friday.
