Family, friends, teachers, and representatives from FLVS Full Time celebrated the students’ successes, with remarks from Senior Class President Bridget Forster and National Honor Society President Taylor Harris.

The FLVS Full Time Class of 2016 was awarded more than \$1.2 million in scholarships, and more than 70 percent of graduates plan to attend two- or four-year colleges or universities. Notable college acceptances include University of Florida, Florida State University, Harvard University (Massachusetts), Stetson University (Florida), Barry University (Florida), Ohio State University, Loyola University (Maryland), University of Wisconsin, University of Alabama, University of Nebraska, among others.

“High school graduation is one of the most memorable days for nearly all of us. I still remember my graduation and how proud I was to have accomplished this milestone. What an honor it is to be able to share in that moment with the Class of 2016,” said Ken Henson, FLVS Full Time Principal 9-12. “Today’s celebration is not only a testament of our students own hard work and perseverance, but of the parents, grandparents, teachers, and friends, that have stood beside them on this journey. This is a great group of students that have come together face-to-face, for the first time, to share in a graduation experience that finalizes their time in a unique, cutting edge educational program.”

Combining Florida-certified teachers, a proven curriculum, technology tools, and community experiences, FLVS Full Time delivers a high-quality online education to students who benefit from an individualized approach to learning.
